

GRAND ASTON

CAYO LAS BRUJAS

BEACH RESORT & SPA

Grand Aston Cayo las Brujas Beach Resort & Spa is set on a picturesque 3 km long pristine white sand beach, immersed amid lush gardens and only steps away from azure waters.

The resort comes with its own 'Pueblo', strategically located between the main resort and Aston Fiesta, where guests can explore a range of shops, bars and restaurants, dance the day and night away to Salsa or score a strike at the bowling alley.

For adults looking to escape and enjoy time on their own, the grounds offer multiple options.

Guests can take a refreshing dip in the pool, stroll by the beach or relax body and mind at 'Spa Ubud' - a sanctuary in which to recharge and rejuvenate with natural and customized Balinese treatments in beautifully appointed treatment rooms.

Recreational facilities also include six swimming pools, a beauty salon, on-site water sports center, four tennis courts, and a children's play area, giving no reason to ever leave this exotic coastal paradise.

ROOMS AND SUITES

Guests can enjoy the main resort, consisting 660 Caribbean-style rooms and suites, suited for families with children or opt out for a quiet adults-only zone with own swimming pool. Both sections are ideally located with easy access to restaurants, entertainment, sports facilities and the beach.

In addition, the adjacent lifestyle Aston Fiesta, an all-inclusive 67-room haven, offers another adults-only option with a stunning elevated infinity pool and Cuba's first authentic Balinese Spa.
